

Spiritual Formation Group Leader Covenant

All Spiritual Formation Group leaders are an extension of the discipleship endeavors of the Campus Ministries department at William Jessup University. As such, all SFG leaders are expected to live a life above reproach as they serve the students in their SFG. It is our expectation that all leaders will live a life of character and integrity as they continue to grow in their relationship with Christ and their ability to lead others toward Him.

This document represents a shared agreement regarding the baseline for behavior and actions in student leadership. It is a starting point for the type of community we hope to create at Jessup and a common understanding of the type of leaders we desire to be. Modeling for others and setting an example in leadership is a high priority. Therefore, failure to abide by the expectations within this contract could result in you being asked to step down from your role as a Spiritual Formation Group leader.

As a Jessup Spiritual Formation Group student leader, I agree to:

- Lead under the supervision and support of the Campus Ministries department and maintain a cooperative and supportive stance toward University faculty, staff, and administration;
- Accept and abide by the Spiritual Formation Group guidelines and parameters to create the best possible environment for the students in my SFG to explore, deepen, and apply the Christian faith;
- Maintain a minimum cumulative grade point average of 2.5;
- Participate in Spiritual Formation Group leader training and equipping meetings for this semester;
- Meet with the Campus Ministries Coordinator on a monthly basis;
- Support and uphold the WJU Community Covenant in my role as a Jessup SFG leader;
- Support and abide by the William Jessup University Student Handbook Standards of Conduct.
- Live a life of character, integrity, and honesty in all aspects of my personal and private life.

I have read, understand, and accept these conditions for serving as a Spiritual Formation Group leader at William Jessup University.
